The meeting will consist of an open house session beginning at 5 p.m. followed by a formal presentation beginning at 6 p.m. INDOT project officials will be available to answer questions and address concerns. We look forward to hearing your comments and talking to you about the project.

INDOT is making many transportation improvements near I-74 and U.S. 421 in Decatur County and Greensburg, Indiana. These will enhance economic growth and development near the site of Honda's new automobile manufacturing facility.

As we move closer to the start of construction, INDOT would like to take this opportunity to meet with the community and provide an update on current activities, design plans, maintenance of traffic and other related information. We look forward to seeing you on Monday, April 9.

In the meantime, should you wish to obtain additional information about this project, please visit the I-74 Greensburg project Web site at www.i74greensburg.in.gov.

Sincerely,

Mary Jackman, INDOT Public Hearings Examiner
